

# HYPER REMOVER NEO

This is an advanced, PFAS-free stripper that delivers industry-leading performance with improved environmental safety. Achieves excellent wettability without using fluorine-based surfactants.

- PFAS-Free & Environmentally Safer
  - Contains no fluorine-based surfactants (a type of PFAS), which are under increasing global regulation due to the health and environmental concerns
- Industry-Leading Stripping Power
  - Effectively removes all types of floor coating, including heavily layered films
- Microdrop Technology for Fast Penetration
  - Rapidly penetrates coatings for faster, more uniform stripping
  - Shortens work time by reacting quickly with multiple layers
- Low-Odour, No-Rinse Formula
  - Minimises unpleasant odours for a more comfortable work environment
  - Leaves minimal residue, allowing for a no-rinse process and easier cleanup

Packaging (Product Code)	18kg (715300)
JAN Code	18kg : 4986167001042
Standard Dilution Ratio	10 to 30 times
Standard Coverage	150-200mL/m <sup>2</sup> (diluted solution)
pH	Alkaline
Applicable Flooring	Resilient flooring (excluding rubber tiles, linoleum, and linotiles, and wooden floors)
Fire Service Act Classification (Japan)	Class 4, Category 3 Petroleum Product
Environmental Certification / Performance	PFAS-free Eco Mark certified
